Athletic Scholarships, Awards and Bursaries*

The foundation for the academic and athletic success of our Mustangs student-athletes is built with the help of many generous donors who support athletic scholarships, awards and bursaries. Financial support for athletes is critical on so many levels, from assisting with recruitment efforts, ensuring student-athletes excel in and out of the classroom, allowing teams to remain competitive on a provincial, national and international level and shaping citizens and leaders of tomorrow.

At Western, we are committed to raising funds in support of the Mustang's Athletics Awards' program. Below is a list of our athletic awards funded by donors to date, as well the student-athletes who received support this past academic year.
